See What Our First Resident Has to Say About The Pines:

"I moved to The Pines the day it opened and it was the best move I could have made. My family and I liked the location as it was close to them. It is a beautiful place, with lots of activities, close to my church and the hospital; and the bus service is great. The staff is excellent and it is like living with an extended family."

– Margaret M.,
Resident Since July 2000
