

CEDARS OF DEXTER CLUBHOUSE GRAND OPENING

WHAT: The Cedars of Dexter, the newest community developed by United Methodist Retirement Communities (UMRC), is celebrating the grand opening of the community's clubhouse.

The Cedars of Dexter, located at 411 Cedars Lane in Dexter, adjacent to historic Gordon Hall, will feature 60 elegant cottages when completed, 34 of which have already been pre-reserved by Cedars of Dexter charter members. Amenities include modern craftsman-style architecture, spacious open floor plans with high ceilings, covered porches, patios, and four-season rooms. The Cedars of Dexter also offers maintained landscaped yards, a versatile clubhouse with fine and casual dining, life learning studio, paved walking paths, fitness center, and spa-like setting with planned pool. Standard upgrades include granite countertops, ceramic tile floors, Andersen windows, and barrier-free design, all adjoining a historically-preserved 50+ acres.

WHY: "After all the planning and construction, we're very excited to open up the Cedars Clubhouse to the public to show the community what active adult living is all about," said Christen Dobbin, Executive Director of The Cedars of Dexter.
